Disqualified Persons Policy

The Internal Revenue Service may impose serious penalties on a public charity that engages in or allows disqualified gifts, grants, contracts or transactions. The Community Foundation takes great effort to avoid and prohibit transactions among persons who are prohibited from benefiting due to their service as a member of the Board of Trustees, a former trustee, staff, or Scholarship Committee member (within the past three years). The following list includes current persons who are deemed to be disqualified persons.

*Disqualified persons do not include high school students or college interns (whether paid or unpaid) nor volunteers on any Community Foundation board committee except the Scholarship Committee.

In requesting a scholarship from the Community Foundation of Northeast Alabama, or any fund affiliated with the Community Foundation, I affirm that I am not related to any of the above persons, or those listed in the scholarship fund guidelines, within the third degree (grandparent, parent, spouse, child, grandchild, great grandchild, niece, nephew, sibling, or first cousin). These relationships include persons who are legally adopted. I further understand that if a disqualifying relationship is identified, I will forfeit the scholarship award and may be legally responsible for reimbursing the Community Foundation for funds received.
